

SUBLIME

APRIL TO JUNE 2012

“Be nice to people on your way up because you meet them on your way down.”

~ Jimmy Durante ~

We have now come to the second quarter of year 2012 and I must congratulate my team who have continued to uphold the quality service standards of our hotel in providing our guests with “Awesome” hospitality.

Looking ahead, I foresee that there will be many more challenges in the hotel industry. However, with the newly renovated rooms and new lines of Fusion-International menu in Urban restaurant, I believe that we will pull through another quarter with positive outlook.

I would like to also take this opportunity to wish all Mums and Dads a Happy Mother’s and Father’s Day! I extend my warmest invitation to you to dine at our hotel during these special occasions and find out on our exciting promotions that reward your parents greatly.

“Try to learn something about everything and everything about something.”

~ Thomas Henry Huxley (1825-1895) ~
